

**THE COMBINED VALUE OF YOUR
PATENTS, TRADEMARKS AND TRADE
SECRETS CAN EXCEED 50% OF YOUR
ORGANIZATION'S MARKET VALUE!**

**ARE YOU GETTING ALL THE VALUE
YOU CAN FROM THESE ASSETS?**

ARE YOU CERTAIN?

THE EFFECTIVE MANAGEMENT OF YOUR INTELLECTUAL PROPERTY (IP) IS CRITICAL TO WEALTH CREATION IN YOUR ORGANIZATION.

“Vertex’s unique and comprehensive assessment of patenting activity in antenna technology helped us better understand the value of our patent portfolio, identify licensing opportunities and provided direction for future research.”

Jeet Hothi

Director, Technology Transfer Office

Kevin Shackell

Licenses and Agreement Advisor

Communications Research Centre Canada

Ottawa, Ontario

www.crc.ca

“In addition to the many intangible benefits provided by Vertex, the direct measurable payback has significantly exceeded their fees.”

Tim Barber

Intellectual Property Specialist

AstenJohnson

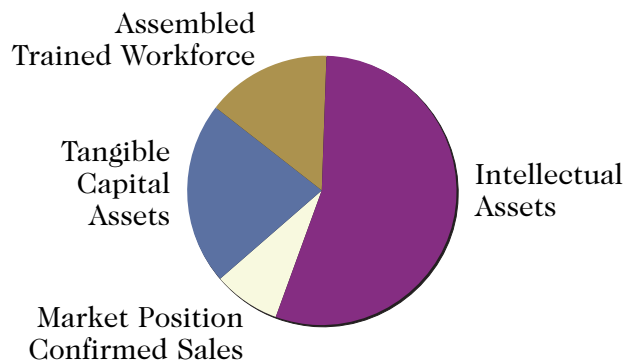

Kanata, Ontario

www.astenjohnson.com

CRUCIAL QUESTIONS:

- What do you risk if your staff doesn’t understand IP issues?
- Do you know the value of all your trade secrets? (What about the less obvious trade secrets you are sure to own?)
- What steps should you take to protect your confidential information?
- What is your IP worth?
- Should you patent your inventions?
- What patents do your competitors have?
- Why would you want to license your IP?
- Who should you license your IP to?
- What royalty might you expect?
- How do you negotiate and structure a license deal?
- How can you acquire the missing-link technology you need?
- Do you cost-effectively manage and fully exploit your intellectual assets?

VALUE OF A TYPICAL 21ST CENTURY BUSINESS

INTELLECTUAL PROPERTY IS NOT JUST A LEGAL MATTER, IT'S AN OPPORTUNITY FOR PROFIT

VERTEX BRIDGES THE GAP BETWEEN YOUR
INTELLECTUAL PROPERTY POTENTIAL AND YOUR LEGAL TEAM

YOUR ORGANIZATION	VERTEX	YOUR LEGAL TEAM
Strategic Planning	Identify & Manage IP	Obtain Patents
Technology	Trade Secrets	Obtain Trademarks

	Market Research	Contracts
	Find Opportunities	
	Channels to Market	
	Licensing	

“Vertex’s bus industry technology gap analysis and its guidance in the consortia building process has provided meaningful assistance and focus for the start-up of our not-for-profit organization.”

Barry Mitchell
Executive Director
Vehicle Technology Centre Inc.
Winnipeg, Manitoba
www.vtci.ca

SINCE 1998 VERTEX HAS SERVED OVER 100 CLIENTS AND HAS DONE BUSINESS IN EVERY PROVINCE OF CANADA.

Our clients include:

BUSINESS: Both large organizations with over a billion dollars in sales that have emerging IP management needs, and small- to medium-sized businesses that are short of intellectual asset management and technology commercialization expertise.

GOVERNMENT: Departments seeking to transfer their technology to the private sector and requiring technology commercialization experience and expertise.

NOT-FOR-PROFIT: Organizations involved with technology development and technology commercialization activities.

“Vertex’s sixteen-country, in-depth opportunity assessment, together with its clear technology development and commercialization recommendations formed key aspects of our business plan and helped us attract investors.”

Angella Hughes
Xogen Technologies Inc.
Calgary, Alberta
