

VERTEX'S TECHNOLOGY COMMERCIALIZATION ROADMAP

"HELPING YOU GET TO YOUR DESTINATION" © 2001

VERTEX PROVIDES BUSINESSES WITH INTELLECTUAL ASSET MANAGEMENT AND PRODUCT/TECHNOLOGY COMMERCIALIZATION CONSULTING SERVICES.

How to use this roadmap

Just like a highway roadmap, you first need to identify where you are and have a goal of where you want to go. Box 61, technology exploitation, is a popular destination. This map is intended to guide you to your destination. The numbers are for quick reference only. Your feedback and comments would be appreciated. For additional copies, please contact us.
